NUMBER 6

The Hamlin-Chillicothe Bi-District Football Game All-Set For 7:30 P.M.

Everything is now all-set for the start of the big game between Hamlin, the Champions of District 10A and Chillicothe, Champions of District 9A.

The game will be called at 7:30 o'clock tonight, rain or shine, cold or hot, wet or dry. But today (Thursday) is a perfect early winter day, clear and reasonably warm, and here's hoping that Friday will be as good or better.

Regardless of weather, there will likely be an enormous crowd in the Piper Stadium to see the big game. Every square foot of space will probably be taken. Those who have to stand may be warmer than those on the rock bleachers.

Every preparation is being made for comfort during the game. A large number of extra seats have been set up. To be sure of comfort, one should bring a blanket or pillow to sit on, and full length, wool socks would look good and keep goose bumps from forming.

AN OLD FASHIONED WELCOME AWAITS CHILICOTHE

To make clear how the city of Hamlin and community wants to make the Chillicothe folks feel welcome, the Chamber of Commerce and service clubs of Hamlin sent telegrams to Chillicothe bidding them come and enjoy the hospitality of Hamlin.

TELEGRAM:

Hamlin, Dec. 3, 1940.
Chamber of Commerce,
Chillicothe, Texas.

We wish to extend to you and your citizens, football team and coaches every courtesy and a very hearty welcome to Hamlin on December 6.

(Signed) Eddie Jay, President,
Hamlin Chamber of Commerce

REPLY:

Chillicothe, Texas, Dec. 4.

Thanks a million for your invitation. On our special train of 300 people, we will have the oldest and youngest person present, 80 for age youth.

Chillicothe Chamber of Commerce
J. W. Hulsey.

HAMLIN WILL MEET THE TRAIN

The special train from Chillicothe will probably arrive about 6:30 P. M. A rousing welcome will ring out as they come from the train. Likely all of Hamlin's school busses will be on hand to convey the visitors up town, maybe a parade and then to the big rocked-in stadium. From the telegram, it would appear that one or more of the Chillicothe fans will be about 80 years of age and the youngest one—well, maybe, guess. (The Herald learned from the Superintendent of Chillicothe Schools, W. E. Hancock, who was in Hamlin Wednesday, that the 80 year old person is none other than Mr. Moffit, father of Senator George Moffit.)

The Chillicothe Eagles will "bus" into Hamlin before the special train leaves Chillicothe. They should arrive here about 4:00 P. M. or earlier. They will be accompanied by their coach, Raymond Moyer, and his assistant, Tom Stack. Hamlin's gymnasium will be at the service of the visiting team before and after the game.

BOOSTING THE BOYS

Throughout this issue of the Herald will be seen many expressions of Hamlin business firms boosting the Pipers. On the other end of the Santa Fe, we may be assured that Chillicothe is doing the same for their team.

ANSON'S FUMBLE HELPS HAMLIN TO A 6 TO 0 VICTORY

Hamlin Pied Pipers scored early last Thursday afternoon against the Anson Tigers and guarded the lone touchdown throughout the remainder of the game. Anson received the opening kickoff and Rust fumbled on his own 25 yard line. Three plays later Johnson of Hamlin pushed the ball over from the 6 yard line for the only touchdown of the game.

The Tigers played courageously to make a total of 13 first downs while Hamlin made only 10. Anson was never able to near the Hamlin

goal line, but moved easily in mid-field. Each time they bogged down as pay dirt was in the distance.

The Pipers seemingly played a cat and mouse game, content with a 6-point lead, and keeping Anson on their own end of the field.

Punting was about even, barely averaging 30 yards per try. Neither team attempted many passes and no exceptional completions were noted.

A Christmas Cantata Will Be Given At Methodist Church

The Schubert Music Club will render their annual Christmas cantata this season at the Methodist Church, on Sunday evening, December 15, at 7:30 o'clock.

The subject this year is "Babe of Bethlehem." The full program will be announced later. This Christmas feature has always drawn a full house. The numbers will be rendered by the best voices and musical talent in Hamlin and community. Remember the date, Dec. 15th.

The Pastor's sermon subject Sunday morning will be "Watch". Sunday evening, Rev. Harrell's sermon topic is to be "Indifference". Special music will be rendered in Sunday Services, and splendid singing by the choir and audience will be enjoyed by all who attend.

Visitors will find a hearty welcome in our services. "Come Worship with us and we will do thee good."

BAPTIST CHURCH

We hope to get back to normal next Sunday. Weather conditions, holidays, etc., have cut us down some for the past few Sundays. Had 273 in Sunday School last Sunday. We want to cross over the 300 mark again next Sunday.

The workmen have started repainting our auditorium. How beautiful it will be when it is finished! We will all be proud of it. Thanks a lot for the splendid cooperation in the campaign to raise \$2500.00 to apply on our church debt and on building repairs. We have almost reached the goal already. Feel like we will more than reach the goal after everyone has been contacted.

Where will you be next Sunday? In your church, which will you be? An attender or an absentee? A pillar or a sleeper? A wing or a weight? A power or a problem? A promoter or a provoker? A giver or a getter? A goer or a gadder? A doer or a deadhead? A booster or a bucker? A supporter or a sponger? A soldier or a slacker? A worker or a worrier? A lifter or a leaner? A friend or a faultfinder? A helper or a hinderer?

—H. E. EAST, Pastor.

Senator Smith Coming To Address Joint Clubs

A joint meeting is to be held next Wednesday by the Rotarians and Lions at the Morgan Hotel. That meeting is to be one to stress the new economy legislation that is being sponsored by the West Texas Chamber of Commerce. Judge Smith is getting in on the bottom floor of this matter and will no doubt enlighten Hamlin men on what he thinks of the proposition. Besides Senator-elect Smith, Representative Fitzgerald of Stamford will likely be present.

The details of what will be attempted in the way of bringing about economy are not quite clear. Some people think there are too many governmental departments, and that the work given to many could be done by less. One thing certain when folks can't think of anything else to talk about they can discuss the weather and government. It may not do much good but it allows a lot of good talk.

The meeting at the Morgan Hotel next Wednesday should be well attended.

W. C. Russell and J. C. Turner, Jr., represented Hamlin before the Highway Commission in Austin Tuesday. They went as a part of the Fisher County delegation to ask the Commission to finish the Hamlin-Rotan highway. Let us all hope they get this road done right away.

Mrs. D. O. Sauls returned Saturday from Dumont, where she spent Thanksgiving with Bill Sauls and family.

New Baptist Church Nearing Completion In South Hamlin

Recently you may have seen a creditable sized building rising on the west side of Central Avenue in South Hamlin. It is the Calvary Baptist Church of Hamlin.

This building is 26x36 feet and occupies a 100 foot front. It is being constructed of good material and will be comfortable and large enough of accommodate the present membership.

The pastor of the Calvary Baptist Church is Rev. Geo. Nicholson, a Hamlin man esteemed and loved by all who know him. It is also interesting to know that Rev. Nicholson is the contractor, or builder of the new church. He is assisted by Rev. Griffin, another Baptist minister. Both are experienced in carpentry.

This new church organization is a member of the North Colorado Missionary Baptist Association, of which Rev. C. C. Evans is missionary residing in Hamlin at the Mrs. W. J. McGee place on North Central Avenue. Rev. Evans announces that he will start a revival meeting in the new church building as soon as it is opened as a place of worship.

A BABY DAUGHTER

Judith Ann Parker, daughter of Mr. and Mrs. Kenneth Parker, was born Sunday morning, December 1, at 1:00 o'clock in the Stamford Hospital. Both mother and baby are doing nicely.

Blue Bird Club With Mrs. Fowler

A Christmas theme was used Tuesday afternoon in the home of Mrs. Paul A. Fowler when she entertained the Blue Bird Club with two tables of contract. Tiny Christmas lights gleamed through mistletoe and other greenery banked on the mantle in the living room, and red chrysanthemums and vases of poinsettias placed at vantage points in the rooms, completed the decorations. The same theme was also used in the attractive salad plate served at the conclusion of the bridge games.

Those playing were Meses. Ted Bledsoe, Joe Culbertson, John Ed Day, Elmer Feagan, R. E. Johnson, J. O. Jones, J. F. Taylor and the hostess.

Mrs. Moody Hostess For Bridge Luncheon

Mrs. J. E. Moody was hostess to members of the Colonial Club, Tuesday, November 26, when she entertained in her home on Lake Drive with a bridge luncheon.

A Thanksgiving theme was emphasized in the colorful centerpiece of autumn fruits, and an arrangement of autumn leaves on the buffet, lighted by red and gold candles. The same motif was featured in appointments and repeated in the two course menu.

Following the luncheon, games of bridge were played with Mrs. B. M. Brundage winning high score. Others playing were Meses. Frank Waggoner, Goodson Sellers, Paul A. Fowler, Elmer Feagan, Alford Harden, Holly Toler and the hostess.

Miss Temple Hostess To Tuesday Club

Miss Eleanor Temple was hostess to the Tuesday Club in her home on Jackson Avenue, Tuesday afternoon.

An autumn theme was used in appointments and repeated in the attractive refreshment plate which held salad, sandwiches, sand tarts, and Russian tea.

In the bridge games, Mrs. J. C. Culbertson made high score. Others playing were Meses. J. L. Keen, W. J. Poe, R. B. Wiar, D. O. Sauls, Jess Cory, and Misses Pearl Whiteley and Opal Cory.

Roy Gholston Married An Arlington Girl

Roy Gholston, a young man of Hamlin but recently from San Diego, California, was married Tuesday, December 3, to Miss Elizabeth McBride, of Arlington, Texas.

The marriage was performed by the Rev. Nickols in Abilene. The bride was a student of Abilene Christian College at the time and intended to continue in College, but the marriage became known and so her school work was terminated.

The young man is a son of Mrs. J. W. Sanford of Hamlin, and he has been in California for several months. They will make San Diego their home January 1.

The Hoot Owl Club

Tuesday evening at 7:15, Mr. and Mrs. L. H. McBride entertained members of the Hoot Owl Club in their home with games of bridge. High scores were made by Mrs. Clinton Barrow and Mr. McBride.

Following the games, a salad plate with Paradise roll and coffee was served.

Members present were Messrs. and Meses. Bob Barrow, Clinton Barrow, Bill Rountree, Roy Gilbreath, and Grogan Turner.

Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back (Adv.)

Miss Dorothy Campbell And Thomas Milsap Married Sunday

Miss Dorothy Campbell, daughter of Mr. and Mrs. T. F. Campbell, of Plasterco, and Mr. James Thomas Milsap, son of T. P. Milsap, of Neinda, were married Sunday afternoon, December 1, at one o'clock at the home of the bride's parents. Rev. Wilemon, pastor of the Baptist Church, read the ceremony.

Only relatives and a few close friends were present.

Miscellaneous Shower Honors Mrs. Wilburn Fields

Misses Fay Lavern Howard, and Mary Dell Park and Mrs. Ovid Lawlis were joint hostesses Tuesday evening at 7:00 o'clock, when they entertained in the banquet room of the First Baptist Church with a miscellaneous shower, complimenting Mrs. Wilburn Fields, a recent bride.

The room was attractively decorated with ferns and cut flowers. The table was centered with a bowl of red chrysanthemums on a reflector, beside which stood a tiny bride and groom.

Guests were met by little Misses Elma Ree and Glynnia Lynn Brewer, dressed in overalls and wide brimmed straw hats, who directed them to the register at which Mrs. Ovid Lawlis presided.

The program included a duet, "Since My Dream Boat Came Home" by Misses Joy and Evalina Graham, a humorous reading by Mrs. Arlie Cassle, "Advice to the Bride" by Mrs. J. L. Keen, and a pantomime by Misses Virginia Sue Flowers and Marguerite Nobles.

At the conclusion of the program, Elma Ree and Glynnia Lynn Brewer led the honoree to a table where a lovely array of gifts was displayed.

Cake, mints and coffee were served at the refreshment hour.

Mr. and Mrs. James Entertain With Steak Fry

Mr. and Mrs. Otto James entertained a group of friends Monday at 12:00 o'clock with a venison steak fry in the City Park.

Those enjoying this pleasant occasion were Messrs. and Meses. E. R. Hamlin, H. M. Hooper, Ross Fomby, S. E. Jones, Henry Jackson, A. Hudson, Boone Boyd, Miss Pearl Hudson and Suzanne Hudson.

The Thermometer Guards Our Health Within Our Homes

"One of the most potentially useful gadgets in the home during the winter months is the thermometer. Unfortunately, its possibilities as a health guardian are seldom realized by the general public," Dr. Geo. W. Cox, State Health Officer, declares.

In homes where the thermometer is used intelligently it becomes a valuable defense mechanism. As a preventer of colds and more serious respiratory diseases that have their origin directly and indirectly in over-heated rooms, it can and does render valiant service.

A maintained superheated atmosphere causes one to perspire, however imperceptible the process may be. When suddenly exposed to icy blasts, the body in that condition is more vulnerable to attack from respiratory infective agents than normally. Moreover, the body softening consequences that arise from constantly living in unduly warm living quarters in themselves are devitalizing.

Way "Build-up" Helps Will Interest Women

The cause of a woman's periodic suffering from headache, irritability, cramp-like pain, may be functional dysmenorrhea due to malnutrition, a condition that is often helped by CARDUI.

Principal way CARDUI helps is by stimulating appetite and the flow of gastric juices. Thus it may aid digestion; help build up a woman's strength, energy and nerve-force; so increase physical resistance to periodic discomfort.

It also helps reduce periodic distress for many who take it a few days before and during "the time." Your confidence in CARDUI is invited by its 50 years of popularity.

Give a PERMANENT WAVE FOR CHRISTMAS, the gift that is sure to please. Our waves are guaranteed. MAGEE'S BEAUTY SHOP

On the negative side of the question, the sense of comfort associated with excess heat is an invitation to underactivity, which frequently is unwisely accepted. Thus, instead of taking a normal amount of exercise

in the open during the winter months, fondness for the indoors becomes acute and "hugging the fire" routine. In this manner the actual life- and zest-building possibilities that go hand in hand with cold weather are shunned, and positive health is less positive than it logically should be.

It is not recommended, of course, that one should adopt a Spartan attitude toward winter. It is merely suggested that exercise in the open in winter is a pleasant medium by which tone is added to one's physical condition. This objective is definitely minimized if the overstuffed

chair and overheated living room are chosen as substitutes. Both from the disease-preventive and health-developing standpoints, the thermometer should be kept with in the safety limits of sixty-eight to seventy-two degrees. Were this rule generally observed, and exercise in the outdoors regularly taken, it is entirely possible that many persons who contract cold and more serious respiratory conditions during the winter season could sidestep them, and in addition feel healthier.

Alvis Cooley, of McMurry College, spent Thanksgiving holidays at home with his parents, Mr. and Mrs. R. H. Cooley.

Mr. and Mrs. Claude Bessie and children and Mr. and Mrs. L. B. Holden visited Sunday in the home of Mr. and Mrs. W. W. Ivey.

With the exception of Mrs. Geraldine Lowe and Mr. Chester Jenkins, all of Mrs. J. W. Jenkins' children ate Thanksgiving dinner with her.

Those visiting in the home of Mr. and Mrs. R. H. Cooley Sunday were: Mr. and Mrs. A. W. Bagley, Mr. and Mrs. O. S. Bishop of Trent, Mr. and Mrs. Gerald Reno and baby, and Mr. and Mrs. Claude Bessie and children.

New Pay Scale For

CCC Boys Jan. 1st

Changes have been announced regarding the pay of all members of the CCC. Beginning January 1st, the amount sent home monthly will be reduced from \$22 to \$15. \$7 will be placed aside for the boy, to be given him upon discharge. \$8 will be paid to him in cash at camp, as heretofore.

Training is being intensified in building, operations, and repairing bridges, roads, and telephone lines so that youths may become competent repair men and fit into the general defense program.

Healthful outdoor work and good food is reflected in the physical improvement of members of the Corps. The average gain in weight is ten pounds within the first two months. With doctors and dentists available in all camps, every boy is assured of first class attention. When serious illness develops he is sent to one of the Army Hospitals for treatment and care. Operations may be performed only with the consent of parents or guardians. Alertness and health go hand in hand and the CCC has an outstanding record of returning boys to their homes better citizens who are confident and able to cope with problems that must be solved in every-day life.

ZEKE SAYS

A traveler informed a Pullman agent that he wanted a Pullman berth. "Upper or lower," asked the agent. "What's the difference?" he asked. "A difference of fifty cents," replied the agent. "The lower is higher than the upper. The higher price is paid for the lower. If you want it lower, you'll have to go higher. We sell the upper lower than the lower. In other words, the higher the lower, the higher the lower. Most people don't like the upper, although it is lower on account of it being higher. When you occupy an upper you have to get up to go to bed and get down to get up. You can have the lower if you pay higher. The upper is lower than the lower because it is higher. If you are willing to go higher, it will be lower."—But the poor man had fainted.

TEXANS APPROVE HIM

U. S. Senator Josh Lee of Oklahoma is not a Texan but he has been making much talk of the kind Texans approve in several Texas cities recently. The Sooner solon leaves the impression, wherever he goes, that he is first of all, strong for preparedness. So impressed were a group of Gladewater citizens with his talk that they followed him to Fort Worth last week to hear him again and to make a recording of his appeal for an adequate Navy and an invincible Army, the said recording to be used at future patriotic rallies. Senator Josh Lee is a strong booster for the Red River Dam project at Denison.

Visiting in the home of Mrs. S. E. Branscum Sunday were: Mr. and Mrs. U. S. Branscum and children, Sam, Betty, Floye, and U. S. Jr., of Roby; Mr. and Mrs. D. W. Richardson and son, Glen; Mr. and Mrs. J. A. George and children, Betty, Calens, and Jimmie Dee; Mr. and Mrs. A. MAKE CHILLICOTHE WELCOME

By Hope Cade

Next Friday evening when the Chillicothe fans arrive in Hamlin to attend the Hamlin-Chillicothe bi-district game, the Hamlin fans will be host and hostess to this town and their great ball club. Let us welcome Chillicothe and treat them as our guests. We represent a school that stands for good sportsmanship; there fore, you and I should hold up the standards of our school. The Chillicothe fans are representing their schools in the same capacity that you and I are representing the Pipers. They have the same sense of loyalty to their school that we have to our school. They, too, want a victory. Be a sport and respect their loyalty and their desire to win. Let us make a lasting friendship that will prove we are a "Friendly Hamlin".

THE LATEST FAD—

SENIOR FOOTBALLS

The Senior Class of H. H. S. pulled a rabbit from the old battered sombrero when they started selling footballs as a remembrance of this year's successful gridiron season.

These glistening white pigskins, on which "Pied Pipers, District Champs 1940-41" is painted in green letters, are excellent souvenirs. You had better get yours while the getting is good, for they are selling like hot cakes.

Carry one to the game tonight and root for the Pied Pipers.

"IT'S A CLEAN SLATE

FOR THE PIPERS"

Yep, history was made on Piper's Field last Thursday evening as the "Laughing Kids" won their final district play game. Marking up their seventh district win of the season opened a new era in Hamlin, for it's the first time in the history of the school that they have produced a district winning ball club.

Turning back the pages of this year's successful season, let's look at the scores of our games. On Sept. 13, a determined hinch, who had been raised from the first grade on up to high school took the field against Lueders, emerging a 25-0 victor. Then came Rotan who succumbed to a 13-12 beating. Meeting Baird, our first conference foe on their own field, the Pipers came from behind to take a 13-7 decision. Defeating Rule 32-0, Stamford 13-6, Haskell 37-0, Munday 20-0, Albany 20-0, Anson 6-0, the Pipers' slate stood at 1,000 percent.

Now it's Chillicothe in the bi-district. Here's hoping for another victory for the Pipers who really want to make Hamlin an outstanding athletic power in wind-blown West Texas.

HAMLIN HIGH P. T. A.

TO MEET DECEMBER 12

Hamlin High School Parent-Teacher Association will meet at 4:00 P. M. Thursday, December 12, in the school auditorium with Mrs. Ted Bledsoe presiding. Mr. R. H. Campbell, Rev. Dan Jones, Mr. H. A. Johnston, and Mr. W. L. Fletcher will present a panel discussion on "How Much Are We Worth?"

HOMEMAKING CLUB MEETS

The second section of the Homemaking Club met Monday, December 2nd. Virginia Hampton had charge of the program on "Christmas Is Coming." The following talks were given: "Making Them Yourselves," Virginia Hampton and "Parties For Christmas", Frances Ubben. The meeting was adjourned.

PIPERS GO SNOOPING

What cute little sophomore girl walks slowly in order to walk with Ralph Dean?

We wonder just how much J. C. Bledsoe charges to keep babies on Sunday night??? Hum—

Did you know Harold could do a graceful ballet?

Isn't it queer some people just can't keep their fingers out of doors? Bobby Barrow, in trying to rescue Bill Harbert's mashed finger, got his own crushed. Confidentially, I lay all of the blame on Pig Ferguson.

ingham-Johnson romance is coming along—It is marked: "No hits-No runs-No fuses."

I never knew a red cap meant LOVE and a green cap meant ANGER until I talked with Hope Cade. Just putting two and two together, I found Bobby has both colors and incidentally he wore the green one to-day.

What three innocent "Babes in Arms" played ping-pong during League Sunday night? They honestly claim to be good boys and girls. Naughty, naughty!

Yes, Joy is continuing her Home Making career. It really proves embarrassing though when Tommy Hill continually pops in at the wrong time.

Why is Arvel B. asking so and so whom they were with Saturday in Anson? Wonder if he cares much?

THE BOOK WORM

Dear Pipers,

Have you written your theme on "What Americanism Means to Me"? These themes are due the sixteenth of December. For some helpful information, read pamphlets in the library on "American Industry and How It Works". Read the chapter called "Democracy and Citizenship" in Magruder's American Government. If you are taking World History or Civics, you have been receiving small papers called "Current Events" or "Our Times". Search these papers for worthwhile material on Americanism.

Put the following on your "Must Read" list and see to it that you do read them:

"The Hurricane" by Charles Nordhoff and James Norman Hall is about a fugitive, Terangi, who proves he isn't really a criminal but was accused unjustly.

"Giants in The Earth" by O. E. Rolvaag shows the persistence and determination of some Norwegian families that they might make homes for themselves and their children.

"The Voice of Bugle Ann" by Mac Kinlay Kanton tells of the love of a man for his dog.

This is all until "The Book Worm" worms its way into "Piping for the Pipers" again.

"Old Browser"

WHO'S WHO IN HAMLIN HIGH

Harold Fletcher—President of the National Honor Society, member of the Choral Club, a member of the debate team, plays tennis, can really play the piano, was in the Junior play last year, and at the present goes with Marguerite Nobles.

Tommy Hill—Editor of the school paper, a member of the unbeaten, untied Pied Pipers, plays tennis and basket-ball, a member of the debate team, very popular but mischievous. His hobby is dancing, and the "object of his affections" is Miss Joyce Hudson.

Hope Cade—A good looking blonde, a member of the band, a good dancer, was sophomore queen last year, a member of the glee club. Placed second in Good English Poster Contest and is a reporter of the "Piping for the Pipers" page. She goes with Bobby Barrow.

Charlotte Dillingham—President of the glee club, assistant editor of the school paper, a member of the band, a good artist and dancer, received honorable mention on Good English Poster. She goes steady with Alvin Johnson.

THANKSGIVING PROGRAM

The Hamlin High School Glee Club conducted by Mr. Clyde Smith, assisted by Rev. Dan Jones and Rev. H. E. East brought a splendid Thanksgiving message in song and sermon.

The Glee Club opened the program with the hymn "Old One Hundred". Rev. East gave the invocation and conducted the faculty and student body in a choral response taken from Psalms 146:72; 19. The student body joined with the Glee Club in singing Herbert Dyke's "Holy, Holy, Holy." "Gloria Patri" and "Come, Ye Thankful People, Come" were sung by the Glee Club. Rev. Jones brought a short sermon on "Thanksgiving in the Christian Life." At the close of his sermon, the Glee Club sang "Now Thank We All Our God." The benediction was pronounced by Rev. East.

Everyone should be humbly thank-

ful for an America where we may worship according to the dictates of our conscience.

ENTRIES FOR ONE-ACT PLAY TOURNAMENT SELECTED

This year Hamlin High School will enter the one-act play contest in the Interscholastic League. Miss Aileen Murphree, Miss Loucille Willis, and Miss Bernice Whiteley will each direct a cast for "The Valiant" which is the play selected for the one-act play tournament to be held in the near future. The cast that has been chosen by Miss Willis is the following: girl, Phala Davis; the Valiant, Tommy Hill; Priest, R. A. Dean; warden, Jack Ellison. Miss Murphree's cast is: girl, Ethel Bell Neal; Valiant, Lofton Brown; Warden, D. C. Reynolds; Priest, A. L. Hudson. Miss Whiteley's cast is: girl, Marguerite Nobles; Valiant, Harold Fletcher; Priest, R. M. Petty; Warden, Earl Smith; jailer, J. C. Bledsoe; attendant, Billy Calhoun. From these three casts the cast that will participate in the Interscholastic League Contest will be chosen.

We are all looking forward to the one-act play contest and hope that the students selected will win first place in the County Interscholastic League Contest.

DEBATERS PLAN BIG YEAR

Debaters in Hamlin High School are planning to go places this year. The people at the county meet say that Hamlin can do all right in physical activities but when it comes to mental activities well—. Some of the pupils have decided to show them. There are 14 students going out for debate and they're really working on their speeches. They plan to go to take part in several debate tournaments in order to learn important facts, points and strategy. If you want to know more about their doings, just ask one of these members: Mary Nell Bell, Virginia Hampton, Tommy Hill, Harold Fletcher, Bernice Beard, Selma Hassen, Richard Young, D. C. Reynolds, Tay-

Blake is the director.

FUN NIGHT—THAT'S IT

That's just what everyone likes! Don't you?

The Hamlin High School is sponsoring such a wonderful and exciting event. There will be original stunts sponsored by each high school class which will give splendid, exciting entertainment; and in between stunts there will be a big, wonderful, exciting box supper. Every girl in town and surrounding communities may bring a big, beautiful box containing all kinds of delicious foods, and every boy around here

and neighboring communities had better start saving his nickels, dimes and quarters if he wants to eat with one of the dazzling beauties and excellent cooks.

All of this will take place December 13, at 7:30 p. m. and admission will be free, so come and bring some money to buy your box.

HAMLIN FANS SUPPORT PIPERS

For the first time in Hamlin's history, a bi-district game will be played on Pipers' Field. This fact alone makes every loyal Piper want to see the game. Hamlin fans have already

This is the third year Hamlin High School has sponsored this contest. Each year so far a Hamlin student has won honorable mention in the national contest. The Hamlin High School P. T. NEW STUDENTS ENROLL

Hamlin High has received two new students, Joe and Clem Ball of Knox City. Knox City High School to them is quite different from Hamlin.

Both boys are planning to be in the band in the future. Joe is the retired secretary-treasurer of the Knox City band and president of the Junior Class. Clem is a dark-haired, bashful senior.

The students, as a whole, think most of Hamlin students friendly, likeable, and easy to get acquainted with. Hamlin High feels that we have received a great gain.

THE MOST OF THE BEST FOR LESS

POT SHOTS FROM McCAULLEY

—BY GEO. DARDEN—

Forty-six guests ate turkey and dressing and all the trimmings at the S. E. Miers home last Thursday. In fact, Mr. and Mrs. Miers were surprised with all the visitors bringing a covered dish. Those enjoying the occasion were: Mr. and Mrs. F. W. Poe and family, Mr. and Mrs. Clyde Hodnett and family, Mr. and Mrs. E. W. Gregg and family, Mrs. James B. Wall and daughters, and the Miers boys and families.

Mr. and Mrs. Hiram Prather made a trip to O'Donnell last week end to visit Mrs. Prather's father, Mr. McKinney.

The Geo. Darden family spent Thanksgiving with parents, Mr. and Mrs. M. A. Darden at Girard.

A large part of the McCaulley population witnessed the football game at Hamlin last Thursday.

Linnie Wheeler Elvins spent the week end with his parents. Linnie is in the U. S. Calvary stationed at Ft. Clark, Texas.

Horace Barton has returned to McCaulley after spending several months on the coast.

The oil business is getting more exciting every day. Oil men, in droves, are trying to get leases and royalty in this vicinity, and we expect this to be one of the best fields in Texas. No foolin'.

The Greeks have the Italians on

the run, and we expect Hitler will have to go to the aid of his axis partner and he may get his feet wet too. We in America have a tender feeling for our English cousins who are getting bomb after bomb dropped on their homes, and we are hoping the tide will change, and it is bound to, as the English are known for their bull-dog like determination and the will power to win even tho' it takes the last battle to win. We are proud to be Americans and we are proud of the English-speaking people. It is going to take a lot of will power on the part of the American people to forever keep sacred the principles of our forefathers.—A DARDEN-O-GRAM.
